July 22, 2024

For Immediate Release: Ottawa Road from Popular to Mee-Na-Ga
Freesoil Township, Mason County

Ottawa Road is closed to thru traffic for clearing, ditching, gravel base, HMA paving and restoration. The road reconstruction work is anticipated to take 3 to 4 weeks.

Road reconstruction projects are by nature inconvenient for the motoring public and residents who live on the road. The residents who live along the road will have access maintained to the roadway and their driveways. Please allow additional time when leaving or returning to your residence. There will be times when the project is dirty, dusty, and noisy during the construction project. Please be careful when driving and approaching workers and construction equipment. Make sure the equipment operator sees you before you get close to him.

The MCRC has signs and barricades set up to warn motorists about the construction project. The project is anticipated to be substantially completed by August 16th, 2024. The MCRC & Freesoil Township appreciates your patience and cooperation during this project.
